

# Sincerly Yours

## VERSE 1

### Dialect

First of all let me say thank you Lord for your love even when I wasn't feeling it  
Your perfect plan I wasn't ready for, you weren't revealing it  
I gave love, but not to you, I guess I was concealing it  
I said "where's my joy?" you replied "Satan is stealing it..."  
With barrels of excuses, all my life I have been wheeling it  
Pain I thought I worked out myself, all the time was you healing it  
Where I was and where you wanted me I wasn't real with it  
Easily you could have said "You chose Satan so now go deal with it"  
But you didn't you stayed with me even when I wasn't into it  
Made sure I never got caught up in some religious sentiment  
If the sun is shining or wheather it's inclement  
I'll settle for nothing less than a relationship that's intimant with you  
Forgive us Lord, we know not what we do  
You'd think dying on the cross would give this lost world a clue  
but it didn't, we're blinded by sin, we can't see what you've given  
Live without you leads to death, but with you it's eternal living  
We cry

### Hook

*Abba, Father, I love you Lord, we cry (7x's)*

*Accept this love letter from me cuz I'm sincerly yours*

## VERSE 2

### Maddlines

I never knew a love like this before I met you  
since the day you came into my heart I never would forget you  
At first I was ignorant to all your love and kindness  
I couldn't see your light shine, I was stuck in the blindness  
Of a sinful world, offering material wealth  
but it neglected to meet my needs of spiritual health  
So for 16 years I walked the land without the understanding  
Of a man who had a plan to change the world single handed  
And you did it, you died for the sins that I commited  
I admit it, the world tossed me bait and I bit it  
But you took me off the hook, you fixed me up and threw me back in  
To tell the other fish that the worlds bait is attracting  
Don't bite the hook yo, cuz the devil's a liar

And the only place his fish will swim in is in the Lake of Fire  
I admire you so much, Lord, I'm infatuated  
With this relationship that you've created  
And we cry

### **Hook**

*Abba, Father, I love you Lord, we cry (7x's)*  
*Accept this love letter from me cuz I'm sincerly yours*

### **Verse 3**

#### **Dialect**

The world is always trying to get me, "how can you praise a white blue eyed hippie?"  
Is what they say to me but Lord their words aren't phasing me  
You never stop amazing me, even when I be praising lazily  
You keep on raising me cuz on your side is where it pays to be  
There are so many blind in this world  
I don't care if you had a crew cut, dreadlocks, or rocked Jerry curls  
You were born for me, then you died for me, gave up your life for me  
sacrificed for me, then turned around and put your light in me  
I thank you Lord for my heart, because your spirit grows in it  
Im saturated in your love like an umbrella with holes in it  
And when the world comes around and puts their nose in it  
Instead of two cents they get two testaments and wrap my flows with it

### **Maddlines**

Lord it ain't easy, when cats disrespect you and tease me  
Joke me, instigating hate when they provoke me  
And tempt me, when my spiritual tank is almost empty  
But sin is like tax, when I repent, you exempt me  
Thats why you died the horrible death, a love we share again  
More grace than figure skaters so like Nancy you Kerrigan  
That's why I'll never lie again or cheat again or swear again  
I got more love for you than Maryland got terrapins  
I'm pouring out my heart, telling you exactly how I'm feeling  
Im keeping it real and, i know sin is always appealing  
But I put my faith in the one who conquered sin and death  
Until you rapture me, and I pray for those who'll be left  
Your arm has never been too short, and you've never forsaken me  
I cry "Abba Father" as your spirit is breaking me  
Into the Holy Of Holies" your presence is near  
We bow down on our knees washing your feet with our tears  
Crying...

### **Hook**

*Abba, Father, I love you Lord, we cry (7x's)*

*Accept this love letter from me cuz I'm sincerly yours*
